Identify 2 or 3 extra field that you could add to the ERD. Include a reason why you feel each field would be useful to the system. Explain your additions at the end of the Word file and explain the reason / purpose for the extra fields.

- 1. Motel Facilities – these are service that maybe provided by a third-party supplier. As for the project, it was mentioned that Tim’s and steakhouse is nearby.
- 2. Motel Amenities – these are services that the motel is providing. As for the project, it was mentioned that they have coffee station and snack area.
- 3. In-room Amenities – these are services or items provided in the room for comfort. Example, in technology, WIFI, smart tv, smart lights, air-conditioning, full-kitchen type/style, bathroom style, etc.

Motel Facilities		Motel Amenities		In-Room Amenities
On-Site parking		Valet service		Wifi
Recreation		24-hr front desk		TV (55” smart tv)
Services		Laundry service		AC
Rentals		Room service		Full-kitchen style
		Meeting rooms		Bathroom style
		Pools		
		Bars		
		Self-Care
